Sub: Selection Guidelines for Recruitment of Community Health Officer-CHO (on contract basis) to Sub Centre -Health and Wellness Centers

Ref:
1. GOI NHM RoP F No M-11016/8/2021/NHM-II dated: 20/05/2021.
2. Approved District RoP 2021-22 No NHM/PIP/District RoP/01/2021-22 dated:15/06/2021
3. Karnataka State Health Society 73rd Executive Committee meeting decisions dated 10-08-2021.
4. Government Order No HFW 108 CGM 2021Dated 27-08-2021

Provision of Comprehensive Primary Healthcare(CPHC) under Universal Health Coverage (UHC) from Ayushman Bharat-Health and Wellness centres (AB-HWCs), was planned and implemented to reach the whole population with adequate health care services, to ensure optimal utilization of free primary health care by community and minimize the out of pocket expenditures to families. Innovative strategies were adopted by Government of India for strengthening the Primary Healthcare services at the door-step of community.

Government of Karnataka has envisaged that well prepared nursing personnel placed at Health Sub Centers will prove beneficial in taking Primary health care to underserved, marginalized, rural and remote population in Karnataka under Universal Health Coverage (UHC). Experience from other developing countries reveals that the "caring component of the nursing profession has been an asset for nurses to function more effectively as primary health care providers".

Hence Karnataka state has adopted BSc Nursing graduates as Community Health Officers (CHOs) for delivery of preventive, promotive, curative, rehabilitative &palliative care services at the door-step of community at Sub Centre Level Health and Wellness Centers (SC-HWCs).

In this context, state has recruited 3339 BSc graduated Nurses as CHOs, in phase-wise manner for SC-HWCs in 17 districts, including Kalyana Karnataka region. The foreword of HWC programme is detailed in Annexure -1.

At present (Phase-5) NHM, Karnataka, through District Health Society is selecting3004 BSc graduated Nurses as CHOs, for 25 districts (12new & 13 old districts)as per the approvals given in ROP-2021-22 (Ref-01) and EC meeting decisions (Ref-2). District details with vacancies for CHOs selection are provided in annexure-2.

The eligible candidates are BSc / Post BSc graduates, having qualified degree certificate and enrolled in KNC/INC with knowledge on Computer system as well as Kannada fluency (speaking and writing).The criteria for applying to the posts including age and other essential requirements are described in Annexure -03.

The eligible candidates shall apply only once in online platform for any selected district after registration through email with uploading of mandatory identity proof. The relevant documents shall be uploaded in PDF format where ever it is mandated while filling up of the online application. Documents required for uploading are listed in Annexure -4.

Selection shall be done among the candidates passed in BSc /PB BSc nursing course qualified under integrated or nonintegrated curriculum (Community health Nursing-II) from any recognized university. The selection of Community Health Officer (CHO) will be done at the district level under NHM through District Health Society.

The "District Level Selection Committee for CPHC-Community Health Officer (CHO) selection" shall be constituted **under the Chairmanship of Chief Executive Officer (CEO), Zilla Panchayath. District Health Officer will be Member Secretary for conducting CHO selection.**

Application fees for candidates will be Rs.600/- (Six hundred only) (includes online Registration and to attend selection exam), shall be paid through Online process by the candidates.

Similarly, the application fee for SC/ST/Ex-service (Men &Women) will be Rs.300/-, shall be paid through online process. Candidates availing fees concession (SC/ST/Ex-Service (Men &Women)), if they fail to upload the specific valid documents, then their applications will be rejected without any notice.

After online verification of documents from District level selection committee, the Admission tickets (Hall tickets) will be issued to eligible candidates to appear in online selection examinations.

The Institutional Arrangements and process adopted for CHO selection is described under Annexure 5.

Examination Process& selection of candidates

- **The examination will be online in objective type for 90 minutes.**

For More JobNews Visit: www.kpscvaani.com

- **The number of questions will be 80, and against which totally 100 marks will be allotted.**
- **Each question in general carry 1 marks (sixty questions for 60 marks) but skill based 20 questions will carry 2 marks (20 questions for 40 Marks).**
- **The exam shall be commenced at 11.00 am and end at 12.30pm, date will be notified in NHM website.**
- **If the applied candidates number is exceeding the limit (>4000), To follow the COVID appropriate behavior (CAB) as per Govt guidelines, an additional online exam will be conducted on the same day in same centers (i.e two batches in same day) timings for online exams to batch-2 is from 3.00pm to 4.30pm.**
- **Candidates will be allocated randomly for batch-02, to take exams in afternoon it will be intimated in admission ticket/ Hall ticket**

Candidates can approach support system for their grievances pertaining to online registration, exam, results and selection. The details are available in Health and family welfare website: https://karunadu.karnataka.gov.in › hfw › page

After selection, placement for SC-HWCs will be based on merit marks obtained in selection exams for CHOs of Course in Community Health (CCH) Integrated curriculum batch (i.e 2020-21 batch)). But for CHOs of Non Integrated CCH curriculum batches (older than 2020-21batch) placement to SC-HWCs will be done after training through RGUHS/IGNOU based on merit marks obtained in the RGUHS/IGNOU final exam.

Non Kalyana Karnataka (KK) candidates (Hyderabad Karnataka) will be considered for selection in KK districts, if eligible KK candidates are not available under roster system.

The selected CHOs should execute a bond and submit all the original relevant certificates to DHS abiding to work for minimum 3 years under NHM-DHS, renewed after every 364 days with one-day break. Failing to work / resignation within this period they have to pay the penalty amount to DHS as executed in bond.

The details of selection process, Declaration of Results, Procedures to be followed after selections including execution of bond and penalty amount are described in Annexure -06

Further terms and conditions if any will be notified from time to time in website and candidates shall be abide by the same.

Syllabuses for Selection exams will be based on topics covered by Rajeev Gandhi University of Health Sciences, Karnataka and MoHFW website and are described in Annexure -07.

The selected candidates of BSc & PB BSc nursing graduates from CCH Integrated Curriculum batch should execute a bond for Rs. 1.0 lakh (format described in Annexure- 8A) and similarly CCH course Non-Integrated curriculum batch should execute a bond for Rs. 1.38 lakhs (format described in Annexure- 8B) with the District Health Society (DHS) of selected districts.

Annexure- 01

Forward on HWC programme

1. The goal of Universal Health Coverage (UHC) is to ensure that all people obtain the health services they need: preventive, promotive, curative, rehabilitative and palliative without the risk of financial hardship. Department of Health and Family Welfare (DOHFW) Government of Karnataka (GOK) is committed to the vision of accomplishing UHC, also outlined in National Health Mission framework as- "Enabling Universal Healthcare Access to Equitable, Affordable and Quality health care services, accountable and responsive to people's needs. The path charted out by the Twelfth Five Year Plan for achieving UHC emphasizes provision of affordable, quality health care by the public health system as the main form of social protection.
2. Provision of Comprehensive Primary Healthcare is a pivotal part of UHC and there is a need to evolve innovative strategies for strengthening the Primary Healthcare. However, a major challenge today for DOHFW, GOK is to reach the whole population with adequate health care services, ensure its utilization and minimize the out of pocket expenditures by families.
3. Thus, based on the proposal of Ministry of Health and Family Welfare, Government of India, state has initiated a pilot project of Comprehensive Primary Health Care (shared vide-D.O. Z-15015/ 11 / 2015-NRHM-I Dated the 11th February 2015)in T. Narasipur taluk, Mysore and Lingasagur taluk of Raichur under NHM. GOK has envisaged that well prepared nursing personnel placed at Health Sub Centers will prove beneficial in taking Primary health care to underserved, marginalized, rural and remote population in Karnataka under UHC. Experience from other developing countries reveals that the "caring component of the nursing profession has been an asset for nurses to function more effectively as primary health care providers".
4. In this context, in addition to on - going activities in T Narsipura of Mysore and Lingasagur of Raichur as pilot phase, approvals have been accorded to scale up Health and Wellness Centres - CPHC across 17 Districts namely, Bidar, Kalaburgi, Yadgir, Raichur, Ballari, Koppal, Vijayapura, Bagalkote, Chikkamagaluru, Mysore Kolar, Haveri, Gadag, Uttara kannada, Shivamogga, Chamarajanagara and Chitradurga in phase wise manner (Phase – 1, 2, 3 and 4). Totally 3339 SCs have been upgraded as HWCs by appointing Community Health Officer (CHO)
5. **At present (Phase-5) NHM through District Health Society is selecting the Community Health Officers for 12 new CHO programme implementing districts as approved in ROP-2021-22 namely Belgaum, Tumkur, Mysore, Dakshina Kannada, Mandya, Udupi, Chikkaballapura, Kodagu, Davanagere, Bengaluru rural, Bengaluru urban and Dharwad a total of CHO 2859 Posts (details in annexure-2) and 145 CHOs against vacancies existing in 13 older districts.**
6. Functioning of HWC will be led by a Community Health Officer (CHO) and in addition the HWC team will comprise of primary Health care officer, Health inspecting officer and a group of five ASHAs attached to the sub-centre. This team will function together and will be responsible for enabling outreach, outpatient primary level care to the population covered under each sub-center area. Placement of Community Health Officer (CHO) at the health sub-center level will improve accessibility of primary care services, broaden the package of primary care services being delivered, increase the utilization of public health facilities and reduce out of pocket expenditures on routine ambulatory care amongst the households served by the Health-Sub Centre.
7. **Community Health Officer(CHO) will get an salary of Rs. 24200/- per month for High priority districts (HPDs) namely Bidar, Ballari, Kalburgi Raichur, Chikkamagaluru, Vijayapura , Bagalkote, Koppala , Uttara Kannada, Shivamogga, Yadgiri, Chamarajnagara, & Gadag and Rs. 22000/- per month for Non-High priority districts (Non-HPDs) namely Chitradurga, Haveri, Kolara ,Belgaum, Tumkur, Mysore, Dakshina Kannada, Mandya, Udupi, Chikkaballapura, Kodagu, Davanagere, Bengaluru rural, Bengaluru urban and Dharwad Districts**
8. Additional amount of Rs. 8000/- per month will be paid as performance based incentive against achievement of set of service delivery indicators to all working Community Health Officer (CHO**).**
