SECTION I: INTRODUCTION

The **Common Recruitment Examination (CRE)**-4 is a special-purpose recruitment initiative aimed at enabling timely appointments to various regular Non-Faculty Group-B and Group-C posts across participating All India Institutes of Medical Sciences (AIIMS) and other Central Government Institutes/Bodies. These participating entities are autonomous bodies or subordinate offices under the administrative control of the Government of India, functioning independently and separately from AIIMS, New Delhi.

The CRE platform simplifies the application process for candidates by providing a single-window system, while ensuring that recruitment is carried out strictly as per the Recruitment Rules (RRs) of each respective participating Institute/Organization.

The Examination Section, AIIMS New Delhi, acts solely as the conducting body for the Computer Based Test (CBT) and other examination processes, based entirely on the vacancy positions and eligibility details furnished by the respective independent organizations. AIIMS New Delhi has no role in framing or altering the Recruitment Rules, eligibility criteria, service conditions or final appointments/posting of any participating Institute.

Online applications are invited from **eligible Indian nationals** for the posts as specified in this advertisement. The posts carry the usual allowances as per the rules applicable at the respective Institutes/Hospitals.

Candidates are advised to refer to the '**Important Dates**' section for the detailed schedule of activities related to the recruitment process.
